

Drive for Change Golf Tournament

June 9, 2016 - Royal Woodbine Golf Course

Join us for our inaugural Drive for Change Golf Tournament at the Royal Woodbine Golf Course on June 9, 2016. This is an excellent opportunity to network with fellow delegates, clients, friends or business associates at the close out of the 2016 CaGBC Building Lasting Change Conference.

Participants can choose to bus from Hotel X, or make their own way to the course and be met with a light breakfast, followed by a morning of golf, and finally winding down with a hearty lunch.

Learn along the way! LEED your way through 18 holes, each named after a unique LEED credit and associated information.

About the CaGBC-GTC

The Greater Toronto Chapter is Southern Ontario's leading authority on green building best practices. With a network of over 3,500 green building professionals, we are your premier source for education, training, leading-edge green building information and resources.

About the Golf Course

Royal Woodbine was very cunningly designed by Dr. Michael J. Hurdzan and plays 6,446 yards from the tips, winding its way up and down both sides of the Mimico Creek. Remarkably, water comes into play on all of its 18 championship holes! At Royal Woodbine you will need every club in your bag to successfully navigate this superbly conditioned Toronto golf course.
