Base score: out of 10
Performance score to LEED certification
LEED for Building Operations and Maintenance

Register
arcskoru.com

Pre-certify (Optional):
Submit prerequisites and basic building information

55

Action:
Optimize efficiency, engage occupants and improve score

81

Update:
Benchmark and certify to LEED annually

0

Plan:
Identify available data or create roadmap for progress

55

Score:
Add data and visualize your score

Certify:
Submit for review, certify to LEED

Visit usgbc.org/buildingperformance for more information
REGISTER:

• Select one of Arc’s programs:
  • Buildings
  • Communities
  • Cities
  • Transit
PRECERTIFY: OPTIONAL

- Register the project in Arc
- Complete prerequisites
- Complete set up for tracking performance
- Optional: Complete the desired base credits
- Submit for review
- Visit usgbc.org/buildingperformance for more information
ENTER DATA:
VISUALIZE SCORE:
LEED for Building Operations and Maintenance:

✔ Supports continuous progress toward a better building and higher occupant satisfaction
LEED for Building Operations and Maintenance:

✓ Supports continuous progress toward a better building and higher occupant satisfaction

✓ Helps a building set performance goals and implement strategies to reach those goals
LEED for Building Operations and Maintenance:

✓ Supports continuous progress toward a better building and higher occupant satisfaction

✓ Helps a building set performance goals and implement strategies to reach those goals

✓ Tracks performance data then translates it into a tangible, actionable score
LEED for Building Operations and Maintenance:

✓ Supports continuous progress toward a better building and higher occupant satisfaction

✓ Helps a building set performance goals and implement strategies to reach those goals

✓ Tracks performance data then translates it into a tangible, actionable score

✓ Leverages a wide range of rating systems, standards, protocols and guidelines
